

ANNA'S BANANAS DAYCARE & PRESCHOOL

Payment Selection/Tuition Express

CHOICES OF PAYMENT SCHEDULE

Weekly-Paying for the current week of care

Bi-weekly-Paying for current week of care and the following week

**Count copays will always be on a bi-weekly basis.*

I, _____ have read and understand the payment policies as outlined in the Anna's Bananas Daycare and Preschool *Parent Handbook*. I understand that I will be charged a \$35.00 NSF/Return fee should funds not be available and/or my card is declined on Monday when tuition is processed. I understand that my balance that was NSF/Return, along with the fee is due paid in cash or cashier's check to the Center Director no later than Wednesday of the current week by noon. I acknowledge that failure to make this payment by noon on Wednesday will result in late fees as outlined in the *Parent Handbook* which will accrue daily and that my child's services may be suspended until tuition and all fees have been paid in full.

REGISTRATION FEE (must be paid in cash or with cashiers check):

_____ \$100.00 for one child

_____ \$150.00 for family (2 or more children)

I AM CHOOSING TO PAY TUITION BY:

_____ Automatic Checking Withdrawal ___ Weekly ___ Bi-weekly

_____ Automatic Credit Card Charge ___ Weekly ___ Bi-weekly

_____ Cash/Money Order (due each Wednesday by noon) ___ Weekly ___ Bi-weekly

I, _____ give Anna's Bananas Daycare and Preschool permission to start withdrawing funds from my Tuition Express account on: _____

Cardholder Signature: _____ Date: _____

PROCARE LOGIN CODES

Anna's Bananas Daycare and Preschool utilizes Procure Software for parent clock-in and clock-out access at our facilities. Each parent has a unique four digit code username and four digit code password. For simplicity we suggest that you provide the last four digits of your social security number and the last four digits of your phone number as these are typically numbers you will not easily forget. In the event that two families have the same chosen passcode, you may be asked to select a new passcode.
