	<p>We had a wonderful morning exercising to music. However, we really enjoyed learning about animals. Mrs. Michelle is so funny when she makes the animal sounds that is makes us laugh and giggle.</p> <p>This afternoon our teacher has planned color and counting activities while also singing songs. We cannot wait. We hope that you are having a great day and we will see you this evening. Take care!</p> <p style="text-align: right;">12:45PM by Michelle in Walkers</p>
